California School Health Centers Association

The California School Health Centers Association (CSHC) is a nonprofit organization leading the movement to put health care where kids are -- in schools. We rely on individual and organizational contributions to advocate for school health centers. Our work includes:

- Advocating for public policies that support school health centers
- Building support among policymakers, community leaders, parents and students
- Assisting communities seeking to start school health centers
- Providing technical assistance, guidance and support to existing school health centers
- Increasing access to the high quality health care and support services provided by school health centers
- Promoting the health and academic success of children and youth
