## Teen Grief Support Group Summer 2021

*Mondays 4:00-5:00pm beginning June 7, 2021*

Hinds Hospice has been providing grief support to children and teens in our community for over 30 years. We are currently providing an opportunity for teens to experience a virtual grief support group online. **Teens (ages 13-17)** who have experienced the death of a loved one are provided the opportunity to be with other teens who are grieving, any type of death. Our goal is to provide a safe place for the teens to share their experiences and explore their feelings. *All children's support groups are facilitated by licensed or pre-licensed clinicians. **There is no fee to attend.***

***Due to COVID-19 Shelter in Place regulations our support groups will begin by meeting via Zoom online video conferencing. Zoom meeting IDs and passwords will be provided by facilitator prior to the first group meeting. If possible, groups may transition to meeting in person once Shelter in Place has lifted. Registration paperwork required by parent/guardian prior to group attendance.***

Please contact the Center for Grief & Healing for more information or to register your teen. (559) 248-8579,
