

beacon
health options

Beacon Health Options is a leading behavioral health services company—promoting prevention, recovery, and resiliency.

Delivering high-quality behavioral health care for more than 35 years, we serve the **full spectrum of mental health and wellness** needs from mild-to-moderate anxiety and depression to more significant conditions such as substance use disorder, suicide prevention and crisis solutions.

We help our clients by **increasing access to care**; ensuring appropriate **evidence-based treatment**; supporting **digital, telehealth, and 24/7 care**; and using data and analytics to guide **whole person** care.
