

Healthy Rewards Program

The Healthy Rewards Program helps you increase your quality scores and our members earn rewards.

Through our Healthy Rewards Program, members can earn \$10 to \$50 for getting certain health services. At the same time, you increase your practice's quality scores by providing members with the vaccinations, screening visits and medications they need.

When an Anthem Blue Cross (Anthem) member meets the eligibility criteria for the activities listed below and completes the service, they will earn the corresponding reward amount after the service is confirmed by the Claims department. The reward dollars are loaded into the member's Healthy Rewards account on the online portal and can be redeemed for a variety of retail gift cards. **Please ensure you file your claims timely so the members can receive their rewards.**

To help your practice, all Healthy Rewards activities are tied to HEDIS® scores and/or health initiatives. They include:
