State Budget Experiences Shortfall

- 22.5 Billion deficit
  - Delays in spending
  - Children’s programs largely untouched
Health

• Partial Public Health Workforce Reductions—The Budget reduces funding by $49.8 million General Fund over four years

• $79 million for the Naloxone Distribution Project to increase distribution to first responders, law enforcement, community-based organizations, and county agencies.

• $10 million for fentanyl program grants to increase local efforts in education, testing, recovery, and support services to implement Chapter 783, Statutes of 2022 (AB 2365).

• $4 million to support innovative approaches to make fentanyl test strips and naloxone more widely available.

• Reversing Opioid Overdoses—An increase of $3.5 million ongoing Proposition 98 General Fund for all middle and high school sites to maintain at least two doses of naloxone hydrochloride or another medication to reverse an opioid overdose on campus for emergency aid.

* Funding is subject to availability. The amounts listed are estimates and may vary based on legislative approval and regulatory processes.
In 2023, DHCS will award $550 million in one-time grants to strengthen school-linked behavioral health services to support institutional readiness for the statewide all-payer fee schedule by providing resources to schools for expanding provider capacity, developing critical partnerships and building the necessary infrastructure.
• In the first six months of 2023, DHCS will review the individual needs assessments (NA) submitted by MCPs and their collaboration partners.

• DHCS is evaluating 145 project plans, crafted by MCPs as a direct result of the NA findings.

• MCPs and their collaboration partners will begin putting the interventions into action during the first six months of 2023.
• DHCS and DMHC conducted initial listening sessions in Spring 2022
• Convened a public workgroup in Fall 2022 to engage partners across sectors in dialogue about the policy and operational considerations for implementing the statewide fee schedule.

</tr>
<tr>
<td>Current MHSA</td>
<td>Governor’s Proposal</td>
</tr>
<tr>
<td>--------------</td>
<td>---------------------</td>
</tr>
<tr>
<td>MHSA requires 20 percent of expenditures be spent on PEI.</td>
<td>35% for other services category, including Community Services and Supports (non FSP), Prevention and Early Intervention, Capital Facilities and Technological Needs, Workforce Education and Training, and prudent reserve.</td>
</tr>
<tr>
<td>MHSA requires 51% of PEI be spent on 0-25 yo population.</td>
<td>Subject to community process.</td>
</tr>
<tr>
<td>76 percent required to be spent on community supports and services.</td>
<td>35% of MHSA to be used for FSPs, remaining CSPP rolled into remaining category.</td>
</tr>
<tr>
<td>Housing allowed but underinvested in due to lack of FFP.</td>
<td>30% for housing and enhanced care in residential settings for individuals with serious mental illness/serious emotional disturbance and/or substance use disorder. Rental subsidies, operating subsidies, and non-federal share for Medi-Cal covered services, including clinically enriched housing. Funding could be used for full spectrum of housing services and supports,</td>
</tr>
<tr>
<td>Excludes SUD population (as a single issue).</td>
<td>Broaden the target population to include those with debilitating substance use disorders</td>
</tr>
<tr>
<td>MHSOAC is a separate entity, governed by Gubernatorial appointed Commissioners.</td>
<td>Restructure role of the Mental Health Services Oversight Accountability Commission. Moves MHSOAC under CA HHS, commission would be advisory and ED would be a Gubernatorial appointee.</td>
</tr>
<tr>
<td>Services and supports on the continuum offered.</td>
<td>Focus on the most vulnerable: Children and youth with serious emotional disturbance or SUD, who are experiencing homelessness, are involved or at risk of being justice-involved, meet the criteria for behavioral health linkages under the CalAIM Justice-Involved Initiative or are in or transitioning out of the child welfare system</td>
</tr>
<tr>
<td>Clear language about non-supplantation, though in practice counties encouraged to draw down FFP.</td>
<td>Encourages counties to use services that draw down FFP</td>

Putting the care in student healthcare
This is The L.A. Trust

**Mission**
Bridging health and education to achieve student wellness

**Vision**
A world where every student is healthy and successful

Our programs support L.A. Unified’s 20 Wellness Centers and the broader movement for student wellness in L.A. County

- Student Advisory Boards
- Oral health initiative
- Data xChange
- Policy advocacy
- Research
- Convening collective impact groups and communities of practice
The L.A. Trust School Health Policy Roundtable

Backbone organization: The L.A. Trust for Children’s Health

32 Organizations
60+ Members
3 Youth Leaders

Mission
Advance collaborative policy solutions that help LA County schools unlock students’ full potential by building integrated, youth-centered systems of support for whole child, school, and community wellbeing.

Vision
LA County students thrive in schools that welcome and engage the entire school community in opportunities to achieve wellbeing.

Seizing the Opportunity for Collective Impact

We collaborate to ensure transformative investments in school health go toward building integrated, youth-centered systems of care.
### 2022-24 Policy goals

<table>
<thead>
<tr>
<th>Goal #1</th>
<th>Expand peer-to-peer</th>
<th>Goal #2</th>
<th>Community Schools implementation</th>
<th>Goal #3</th>
<th>CYBHI implementation</th>
</tr>
</thead>
<tbody>
<tr>
<td>Expand peer-to-peer programs for behavioral health support in schools across LA County.</td>
<td>Enable LA County schools to establish integrated systems of support for whole child wellbeing through CA Community Schools Partnership Program implementation.</td>
<td>Advocate strategic implementation of the Children &amp; Youth Behavioral Health Initiative to establish integrated, youth-driven systems of care in schools across LA county.</td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
Goal #1
Expand school-based peer-to-peer (P2P) programs for behavioral health support across LA County.

We love peer-to-peer because...

1. Young people are asking for it!
2. Enhances protective factors and resiliency
3. Culturally responsive and adaptable model
4. Mitigates the provider shortage (resource light)
5. Creates workforce pipeline for youth

Opportunities

- Leverage recent one-time investments to start new P2P programs
- Embed P2P in LA’s emerging Community Schools
- Designate P2P facilitation and support as duties of BH Coach (CYBHI)
- Establish P2P as beginning of pipeline to health careers (CTE, dual enrollment);
- and explore workforce dollars as sustainable funding source
Goal #2
Enable LA County schools to establish integrated systems of support for whole child wellbeing through implementation of the CA Community Schools Partnership Program (CCSPP).

California invested $4.1 billion to grow Community Schools
- Nearly $105 million granted to LA County schools in 2022 (round 1)
- Integrated Student Supports pillar ensures student access to health care
- All 4 pillars work together to support whole child wellbeing

Opportunities
- The L.A. Trust partnering with LACOE to serve as CCSPP Regional TA Center (5-year contract)
- Advocate county-level progress towards an integrated ecosystem of supports for whole child wellbeing
- Strengthen relationships between trusted community-based organizations and schools
- Grow movement for healing-centered schools through communities of practice
- Enhance data collection and evaluation to advance equity
Goal #3
Advocate strategic implementation of the Children & Youth Behavioral Health Initiative to establish integrated, youth-driven systems of care in schools across LA county.

$4.4 billion to transform youth-serving behavioral health systems
We’re tracking 4 school-based workstreams:
• Student Behavioral Health Incentive Program (~$125 million for LA County)
• School-linked Partnership & Capacity Grants (~$150 million for LA County)
• Statewide School-linked Fee Schedule
• Wellness Coach

Opportunities
• Leverage diverse Roundtable expertise to develop & uplift implementation recommendations
• Rethink and redeploy existing resources to sustain one-time investments
• Facilitate partnerships between health plans and schools (potential partnership/capacity grant project)
• Advocate county-level progress towards an integrated ecosystem of supports for whole child wellbeing
# 2022-2023 Action Plan

## Goal #1 Peer-to-peer
Expand peer-to-peer programs for behavioral health support in schools across LA County.

## Goal #2 Community Schools
Enable LA County schools to establish integrated systems of support for whole child wellbeing through CA Community Schools Partnership Program implementation.

## Goal #3 CYBHI
Advocate strategic implementation of the Children & Youth Behavioral Health Initiative to establish integrated, youth-driven systems of care in schools across LA county.

### Shared objective (all 3 goals)

### Objective A
By June 2023, work with one or multiple Supervisor offices to initiate formation of an inter-agency governance structure that facilitates coordination of school-based supports for whole child wellbeing.

<table>
<thead>
<tr>
<th>Objective 1</th>
<th>Objective 2</th>
<th>Objective 3 COMPLETE</th>
</tr>
</thead>
<tbody>
<tr>
<td>By November 2023, convene peer-to-peer program operators and student participants to learn about various models, establish shared definition and key elements.</td>
<td>(ongoing) Monitor CCSPP implementation for advocacy opportunities and advise R-TAC, as needed.</td>
<td>By October 2022, develop recommendations for the School-linked Capacity Grants, All-payer Fee Schedule, and BH Coach workstreams and deliver to state agencies.</td>
</tr>
<tr>
<td>Objective 1.2</td>
<td>Objective 2.2 TBD – revisit in Q4</td>
<td>Objective 3.2</td>
</tr>
<tr>
<td>By January 2024, produce summary of convening takeaways as resource for schools.</td>
<td>Facilitate formation of a Community Schools Task Force to develop collaborative vision for scaling Community Schools countywide.</td>
<td>By June 2023, articulate Roundtable recommendations through county-level budget advocacy for maximizing MHSA PEI spending on youth in schools.</td>
</tr>
<tr>
<td>Objective 1.3 TBD – revisit in Q2</td>
<td></td>
<td></td>
</tr>
<tr>
<td>By 2024, convene and prepare group of student leaders to uplift the value of peer-to-peer within their school communities.</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
