Partner with us as the presenting sponsor of our statewide conference at the Santa Clara Convention Center **April 29-30, 2024**, and connect with highly engaged advocates who care deeply about the health and academic success of California's children and youth.

Our program focuses on growing integrated primary and behavioral health care services on school campuses. This year we are hosting two full days of learning, networking, and skills building.

We look forward to hosting 600 children's health and education advocates in April. **Join us!**

"I look forward to attending every year for the shared knowledge and the amazing speakers"
